Brett Saison

ABV 6.2% • 33 IBU

Light Bodied, Golden-Amber,
Fruity, Funky

The Quick Sell: A bright, refreshing, slightly citrus beer with a little funk.

Brettanomyces, originally isolated from strong English stock beer, is said will help a beer achieve English character. What English character actually means is up for debate. What we do know is that this saison is 100% oak fermented and full of flavor. This beer's dry, crisp, and refreshing light citrus flavor is complemented with a slight funk that, whether it's of English character or not, will certainly have you in a jolly mood.

Food Pairings: Roasted poultry, salads, creamy cheeses, goat cheeses, funky cheeses, spicy Asian dishes, Middle Eastern dishes.

Great Beer for Great People.
