**The Quick Sell:** Like a sour peach candy

It's peach season in North Carolina. There are peaches in everything, including beer. Few things are as nostalgic as those sour peach rings that many of us ate like manna in simpler times. Those candies were full of bright peach sweetness and enough of a pucker to tweak your jaw. And sharing them...yeah, right. This beer is full of that peach sweetness and a lot of pucker to take you back a bit, to summers gone by.

**Food Pairings:** Fruit salads, Belgian waffles, warm German pretzels, salted fried potatoes, clams, lobster, goat cheese, asiago cheese

**Allergens/Adjuncts:** Peaches/Apricots

**Great Beer for Great People.**
