The Quick Sell: If you like sweet and sour together, this is your beer.

Back when we first released our Cherry Sour 'a while back, it was delicious, received really well both in our taproom and out, and infinitely drinkable. Folks asked what was next? So we decided to go with three berries! Blackberry, Blueberry, and Raspberry puree into this super clean and mildly tart kettle sour. It's fruity without being sweet, tart without being super sour, and it makes for really good instagram photos with that color. Don't ya'll wanna be #instafamous with your #craftbeer #photos.

Food Pairings: Grilled chicken, roasted pork tacos, cheve tart, vanilla bean ice cream, white chocolate flan.

Adjuncts/Allergens: Blackberries, blueberries, and red raspberries
