**The Quick Sell:** Our take on the traditional St. Patrick's Day beer of choice

**Awards:** 2018 Bronze Carolinas Championship of Beers

What better way to honor St. Patrick's Day than with a stout brewed in the dry Irish style? The term dry refers to the lack of residual sweetness found in some stouts. This quality provides a clean, crisp and refreshing draught. Aromas of chocolate and malt combine with hoppy, herbal nuances. The taste is complex, including pronounced roast barley flavors and a rich, breadly warmth. These essences give way to a pleasing chocolate-esspresso richness balanced by an herbal hop twang. Named in honor of the first Scots-Irish settlement area in NC in 1736.

**Food Pairings:** Steak, meat pie, raw oyster
