**The Quick Sell:** A innovative whiskey cocktail as a beer

For a while, we've been known for showcasing malty beers. We also love barrel aging those beers. We're also fans of craft cocktails and delicious whiskey. Luckily, the amazing folks at Fainting Goat Spirits in Greensboro had some Rye Whiskey barrels... and that's where we let our Revolver inspired Rye Barleywine nap for a few months. Just like the cocktail, rye, orange peel, and coffee all find harmony.

Go head, pull the trigger.

**Food Pairings:** Stilton, bleu cheese, standing rib roast, beef wellington, caramel cheesecake, bread pudding, creme brulee
