"I like craft beer. I drink Blue Moon."

How many of you have heard that? Well, for that beer drinker we introduce a crisp and refreshing Belgian White to demonstrate that not all beers are created equally. Our witbier has wonderful citrus notes with some slight pepperiness. The thick haze created by the unmalted wheat and oats foreshadows the wonderful mouthfeel of a beer that was made for Rebels, who stand against the Empire.

Food Pairings: Seafood, white pizza, feta cheese, Thai green curry, brunch dishes, Mexican dishes.

Adjuncts/Allergens: Coriander and Orange Peel.

Great Beer for Great People.
