The Quick Sell: The lightest beer we've ever done. Omie Light.

Earlier this year we decided to brew the lightest beer we've ever brewed here at Four Saints in order to keep up with what beer drinkers seem to be looking for these days - low calorie, no refined sugar, gluten-reduced (not free). Think Omie Lite. We think this beer, with a barley base and rice, is going to climb to the top of everyone's favorite list. So this week we all get to experience the Day of Domination!

Food Pairings: Mild cheddars and light cheeses; fried foods; most meat dishes; hot/spicy dishes; spring rolls; salads.

Great Beer for Great People.
