To say choosing to brew a blonde ale was a dream come true would be a flat out lie. We developed our blonde ale as a style to help usher in those new to craft beer, as an accessible stepping stone. Neither too malty nor too hoppy, the blonde ale resides in a near perfect state of balance. Andrew turned out a sophisticated through simplicity award winner. This blonde ale engages without slipping into obsolescence and will surprise you with its magnificently delicate composure. The beer is named after a Randolph County, NC historical figure, Naomi . Wise. This beer echos her memory - favored by many, light in spirit, and deep in character.
